

The MEXT Scholars Alumni Association Greece is the official association of Japanese Government (MEXT) scholarship recipients in Greece.

Founded in 2025, the association brings together Greek MEXT Scholars who pursued postgraduate studies and research in Japan

## OUR MISSION

Our goal is to unite Greek MEXT Scholars within a robust network of collaboration and support, and provide guidance to the next generation of scholars. By promoting academic and professional exchange, we aim to contribute to deeper synergies between Greece and Japan. Working in close cooperation with the Embassy of Japan in Greece, we actively seek partnerships with official Greek organizations and institutions with professional and cultural links to Japan.

## OUR VISION

To cultivate and develop a dynamic and forward-looking community of MEXT Scholars acting as a strategic bridge across Greek and Japanese academia, industry, and culture.

Driven by our shared love and respect for Japan, we build upon a unique academic and cultural foundation that continues to strengthen the ties between Greece and Japan

## OUR VALUES

Our association is guided by principles deeply rooted in Japanese society: dedication to excellence, respect and responsibility, and a commitment to collaboration and knowledge sharing. We promote lifelong learning and are devoted to fostering cross-cultural understanding and mutual trust.
